HERBINE

A Medicine of Power in All Liver Disorders.

When the liver is torpid, it throws impurities into the system, which hamper every organ in the body. The result is that functional processes are not properly carried on. Impurities get into the blood, the stomach is bilious, the kidneys weak and the bowels irregular—generally constipated. Herbine cleans out all these impurities, opens up the obstructed channels, strengthens the torpid liver, cleanses the blood, purifies and regulates the bowels. After the system has been thus overhauled, there is an immediate improvement. Appetite returns, digestion is good, the spirits rise, the mind clears of gloomy forebodings and everything looks bright and cheerful, which means, sound, healthy conditions everywhere in the body.

"And why, Tommy, do you suppose Diogenes was so anxious to find an honest man?"

"Pa says he probably wanted to sell him a gold brick."—Houston Post.

Ough!!!

He climbed to the bough
To escape from a cough
Which had suddenly started
A terrible cough.

When the cow, with a cough,
Sought the watering trough,
Her departure inspired him
His dier to cough.

He looked pretty rough,
For he had torn off a cough,
And his features, once white,
Were now sort of bough.

After all he'd been through,
It seemed perfectly tough
That to wash and to brush
Were the right things to do.

The dirt stuck like dough,
Clear from topnot to tough—
But I think I have come
To the end of my cough.

Your coughing,
Hough D' Dough.

MINISTERIAL ASSOCIATION

The Ministerial association of Bollinger county will meet in the Marble Hill Baptist church Saturday, March 11, at 10:30 a.m. A good program has been provided. May I not urge all those to whom work has been assigned, and all others who can possibly do so to attend this meeting of the association? The cause is a good one and really deserves your co-operation. Let every minister in the county and every public-spirited person be present. We need you, and you will find out by attending these meetings that you need us. "United we stand, divided we fall," is too true to be a joke. Let us stand together. By our encouragement we may help others to better things. Let us try.

W. A. DILLON, Secretary.

Presbyterian Church Notes

There was quite a large attendance at the Bible study class meeting last Sunday and the interest manifested was good. Come, friends. We feel sure you will enjoy the undenominational work.

Quite an amusing thing occurred in the Normal class last Sunday. One who having given quite a full answer to a question asked by a teacher was asked, "When did you get that?" The answer was "I got it by studying my lesson during the week. Who will furnish me with a text next Sunday?"

There will be a large attendance at the meeting of the Marble Hill Presbyterian church March 11, 1911. This is an important meeting and should be attended by every member of the congregation. For the program in this meeting is of great importance. It is a meeting of the organization's change since the last annual meeting. Do not neglect this meeting. There may be some official elections. At the least let us get our bearing and plan for the next year. W. A. DILLON, Pastor.

Should be always on the watch for symptoms of worms in their children. These pests undermine strength and vitality. A child with worms is pale, sickly and cross, has dark rings under the eyes, bad breath, starts in the night, WHITES CREAM VERMIFUGE destroys worms and intestinal parasites of all kinds. A few days use produces a wonderful improvement. The sickly child is transformed into a rosy, vigorous cherub, full of vim and activity.
